

Ceva Valroyna

Ceva Valroyna, better known as simply "Ceva" ("C" to her friends) is an Elven woman, originally from Waterdeep, who helped co-found the Guild. Friend to [Big Jim](#) and Professor [Eimar Daj](#), she is a former assassin and ward of Invis Winterenvy. Deeply rooted in city politics, she is a member of the so-called Neverwinter Resistance and is romantically linked to resistance leader [Sakai](#). In her spare time, when not acting as quartermaster for the Guild or performing work for the resistance, she spends quite a lot of time baking and is responsible for most of the jam tarts that end up in the Guild.
