

The Barbarian Horde

The barbarians are Guild members in good standing. Consisting of an ever-evolving never-defined group of people, they accept any and all comers into their fold. Led by Vlad the Barbarian, called such as he is from the "barbarous" North, they are responsible for several social clubs in the Guild proper, including but not limited to:

- Barbarian Book Club
- Barbarian Cooking Club
- Barbarian Fight Club
- Barbarian Food Club

Recruitment into the barbarians consists of being asked if you would like to join them. Upon saying "yes", one is considered an honorary barbarian.

Notable exploits have included the stocking of the Little Free Library and the opening of a coffee shop, Vlad's Eats and Treats, in the Mercantile Quarter.
